REASONS FOR ALLOWANCE

Page 2

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103.

Specifically, with respect to independent claim 1, none of the prior art alone or in combination disclose or teach of a lithographic projection apparatus as claimed, specifically comprising at least one actuator controllable to adjust a surface figure of a reflective multilayer, wherein the actuator is operable to exert a force having a component in a direction parallel to the surface figure of the reflective multilayer.

Specifically, with respect to independent claim 25, none of the prior art alone or in combination disclose or teach of a device manufacturing method as claimed, specifically comprising controlling an active reflector comprising at least one actuator controllable to adjust a surface figure of a reflective multilayer by exerting a force having a component in a direction parallel to a surface figure of the reflective multilayer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
